

Dear FCC Commissioners:  
I'm writing to ask that you please retain the existing  
rules governing media ownership.

Continued concentration of ownership of the media will  
further lessen the number of outlets for opinions and  
viewpoints, which will stifle dissenting voices and  
continue the trend of dumbing down the information  
available to consumers.

More selfishly, I'm concerned that further reduction  
in competition resulting from continued deregulation  
of the mass media will make it even more difficult for  
me (an independent writer) to make a living.

Sincerely,

Andrew Webb
